**A UNIVERSITY FOR THE
FUTURE OF WORKS**

TABLE OF CONTENT

Welcome to **NORTH BORNEO UNIVERSITY COLLEGE**

North Borneo University College is an evolutionary academy that welcomes worldwide learners. We practice the finest institution principles and orientate them with contemporary society in an ultramodern world of pursuit and trade. We utilize eclectic approaches of traditional and present pedagogies to advocate talents towards favourable outcomes. Being mostly student-centered, North Borneo University College will empower you through intelligence amplification via holistic tutelage. A sound proficiency is just the inception of your career. With us, you are a member of a network that perpetually aspires to attain greater goals. We are an institution for the future of works and we want only the best for you. We celebrate outstanding individuals as one of our most noteworthy resources. To us, you are not a number, but a name that will be ubiquitous in the workforce. It is our mission to pave industrial pathways between commerce, research organisation and an all-rounder prospect like you. Our growing number of graduates and their successful employment record prove our genuineness in the education sector.

North Borneo University College is a pathway to a brighter future; it starts here!

ABOUT US

North Borneo University College is a nationally accredited institution with distinguished name of North Borneo in acknowledgement to the history and diversity in ethnicity, culture and language within the state of Sabah. Sabah, the Land below the Wind, was made a British protectorate in 1888.

The institution was established in 2006 as Twintech International College of Technology. It was rebranded as North Borneo University College on March, 2015.

North Borneo University College is the first private academy that offers postgraduate programme up to a doctoral level. The campus is equipped with neoteric technology such as Drone Technology, Ground Penetrating Radar, Forensic Lab, Armedeus Lab and e-Library to stay ahead of Industrial Revolution 4.0 and Society 5.0.

Some Standouts

We offer industry-leading IOT, Gaming, GIS, Business, Earth Sciences Technology, Security Enforcement and Management courses and Land Surveying experiences to our students within the entire span of enrollment.

PRESIDENT'S PREFACE

Praise to God that North Borneo University College has reached its proud achievement that the university has been progressing well. This has been achieved from the spirit of teamwork and support from every staff for the last decade. In the year 2017, NBUC has entered its 10th year of inception and has launched its second stage of strategic plan to internationalise lecturers with 60% Masters and 20% PhD holders.

Our target before reaching 2020 is to achieve 15,000 active students in all of our campuses and education group in total, to launch 5 offshore campuses around the world and 100% students' employability or being self-employed within 3 months upon graduation.

To ensure that we can achieve our vision and mission by the year 2020, strategic planning and activities are formulated as per below:

- To work closely with all our stakeholders to get the real and accurate input to enhance our program delivery and our student experience in learning and development.
- Enhance our academic quality and delivery by having continuous training to our staff (academic staff and non-academic staff), encourage life-long learning and other related industrial or academia related tasks to our academics.
- Nurtured and colourized entrepreneurship spirit and skills in the organization. The goal is to produce holistic future graduates that can survive in the real demanding world.
- To offer the soft-skills programs continuously to the students as part as the students development program to ensure students can be marketable in the industries.

On this occasion, I would like to express all my gratitude to staffs and the stakeholders for the support and the burning desire to move forward in achieving North Borneo University College's vision, mission and strategic plan 2018 - 2020. I do hope that we can work together to produce quality future of works for our graduates.

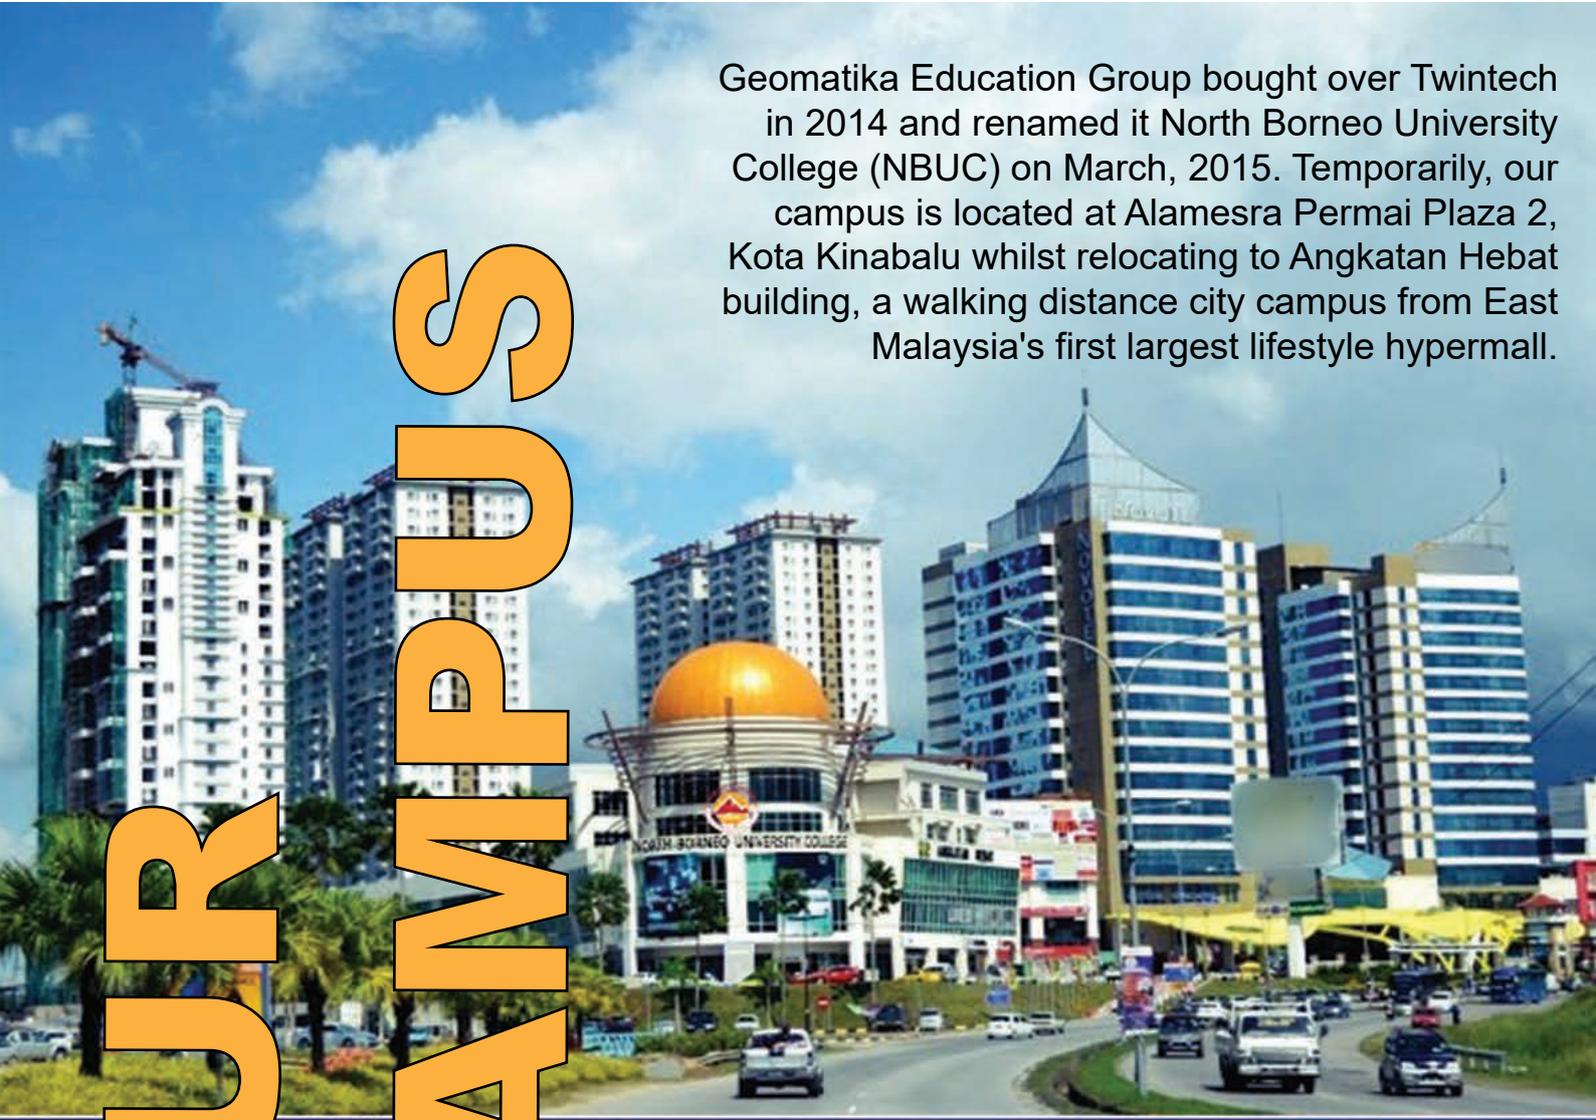

PROF. SR. DR. MOHAIZI MOHAMAD

President / Pro-Chancellor / Chairman Board of Governors

Geomatika Education Group bought over Twintech in 2014 and renamed it North Borneo University College (NBUC) on March, 2015. Temporarily, our campus is located at Alamesra Permai Plaza 2, Kota Kinabalu whilst relocating to Angkatan Hebat building, a walking distance city campus from East Malaysia's first largest lifestyle hypermall.

OUR CAMPUS

Constructed on 23.3 acres of land, 1Borneo Hypermall pioneered the booming of large hypermalls in East Malaysia. It is located at the central of education hub, neighbouring Universiti Malaysia Sabah (UMS), just 21KM from Kota Kinabalu International Airport (KKIA) and just 7KM away from the city centre, Kota Kinabalu..

STUDENT LIFE

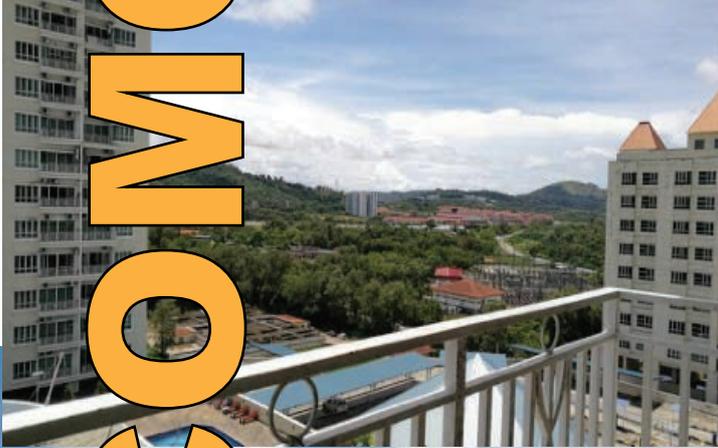

To provide student with a rich university experience, the institution works collaboratively with various local and international clubs and societies in organizing exciting events and opportunities for self-improvement. Activities include get-to-gathers, seminars, recreational outings, sports & games, community service projects, and more.

NBUC always aims to provide good campus facilities to ensure conducive teaching and learning environment. Therefore, we hope it will increase the students' experience throughout their meaningful learning journey with us. Here are some facilities samples for your glance.

ACCOMMODATION

NBUC campus is strategically situated at the heart of prime residential area along Jalan Sulaman Kota Kinabalu - Tuaran. This is a very convenient area where it takes only 10 minutes drive from the city centre, 30 minutes drive from Kota Kinabalu International Airport (KKIA), and 10 minutes drive from the Kota Kinabalu Bus Terminal that links to other towns and cities in Sabah such as Sandakan, Tawau Lahad Datu and Kudat.

Our main hostel at UA1 and UA2 are prepared for local students whereas the hostel at Tower A and B next to One Borneo Hypermall are prepared for international students.

**“Collaborative relationship between NBUC,
 The government and Industry players
 culminates in shared benefits”**

Her Excellency YABhg Toh Puan Datuk Seri Panglima (Dr.)
 Hajah Norlidah Binti Tan Sri Datuk R.M Jasni
 (NBUC Chancellor)

Courses

Pathway in Foundation

- Science
- Business
- Computer
- Law

Borneo International Business School

- Doctor of Business Admin. (DBA)
- Ph.D.in Business Administration
- Master of Business Admin (MBA) ODL
- Master in Management (MIM)
- Master of Marketing (MMkt.)
- Master of Human Resource Mgt.
- Master of Business Law
- BBA (Hons) – International Business
- BBA (Hons) – Marketing
- BBA (Hons) - Banking & Finance
- Dip in Business Administration
- Dip in Accounting
- Dip in Office Management

Faculty of Earth Sciences, Oceanography, Built & Engineering (BIM for entire construction value chain)

Earth Sciences

- Ph.D.in GIS & RS
- MSc in GIS & RS
- BSc (Hons) Geomatics & Land Survey
- BSc (Hons) GIS & Appl. Development
- BSc (Hons) Property Management
- Dip in Geomatic
- Dip in Property Management

Built Environment

- BSc (Hons) in Architecture
- BSc (Hons) in Quantity Surveying
- Dip in Architecture
- Dip in Quantity Surveying
- Dip in Landscape Architecture
- Dip in Interior Architecture

Engineering

- BEng. (Hons) Electrical & Electronic
- BEng. (Hons) Mechanical Engineering
- Dip in Electrical Engineering
- Dip in Mechanical Engineering
- Dip in Automotive Engineering

- Dip in Nautical Studies
- Dip in Shipping Management

Faculty of Aerospace, Aircraft Management & Engineering

- BEng (Hons) in Aircraft Engineering
- BA (Hons) in Aviation Management
- Dip in Aviation Management
- Dip in Aircraft Maintenance

HOW TO APPLY

Application Procedures

All international students are required to read the guidelines to ensure all information is complete. There are essentially three (3) basic steps to the application process at North Borneo University College:

- STEP A SUBMISSION OF DOCUMENTS**
- STEP B OFFER LETTER**
- STEP C VISA APPROVAL LETTER**

STEP A: Submission of Documents

Students are advised to read the requirements for admission carefully and ensure all information submitted is complete and true.

1. Obtain an Application Form from NBUC International Office, NBUC Representatives or download from the FORM section under Online Resources section in our website.
2. Submission can be done via Online Registration, send in the printed form and relevant documents to NBUC International Office directly or through an authorised representative in your country.
3. Complete the form and attach the following documents:

International students applying from Country of Origin (New applicants)

- a. To apply, please make application fee payment
- b. Passport sized photographs (4cm X 5.5cm, white background) with applicant's name and passport number written on the back side;
- c. Certified true copies of all academic qualifications and English Proficiency Test (IELTS, TOEFL or equivalent);
- d. A complete set your passport photocopy – all pages including blank pages. (The passport must have a validity period of at least 12 months);
- e. An updated resume (for Postgraduate programme applications only);
- f. Employment confirmation letter from employer (if applicable)

International students applying within Malaysia (Transfer student)

- To register, please make payment for application fee; together with all documents from (b) to (f) listed above;
- Offer Letter will be issued by North Borneo University College;
- Request for the following documents from recent college/ institution and ensure that all documents are CERTIFIED TRUE COPIES by the college/ institution;
 - a. Release letter;
 - b. Attendance record;
 - c. Result slip or academic transcripts or certificates.

STEP B: Offer Letter

- ▶ Upon receiving the application form, payment of application fees and relevant supporting documents, as explained above, NBUC will email a copy of the Offer Letter to the student if the International Student is accepted.
- ▶ Students need to pay first tuition fee installment as stated in the Offer Letter (either by Telegraphic Transfer to NBUC Bank Account or Bank Draft).
- ▶ NBUC International Office will submit the documents to the Sabah Immigration Department to begin the process of Visa Approval Application.

STEP C: Visa Approval Letter

Once International Office has received the VISA APPROVAL LETTER, it will be sent or posted together with the original Offer Letter to the eligible applicant. Once received, applicant may proceed to applying a STUDENT PASS from the nearest Malaysian Embassy in the respective home or source country.

Mt Kinabalu, Sabah

REGIONAL & EXECUTIVE CENTRES

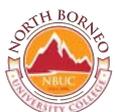

The current list of North Borneo University College courses delivered by regional Centre and Executive Centres is on the map of the page.

Regional Centre

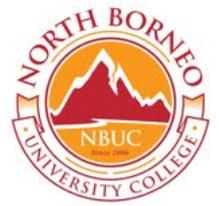

A regional centre is achieved following a process of institutional recognition. This leads to recognition by the North Borneo University College's Senate for the purposes of delivering courses that lead to an award of the university. Courses are delivered by the Learning Centre but awarded and quality assured by North Borneo University College.

Executive Centre

An executive centre is designed with the facilities support and recruitment for the Academic Committee to deliver the courses from the main campus of the university directly.

SABAH EDUTOURISM

KUNDASANG, MOUNT KINABALU

Kundasang, Sabah is the place all of us have always drawn as a child - a small wooden house with a magnificent view over the paddy fields and the majestic Mount Kinabalu. If you are keen in exploring the best of Sabah, Kundasang is guaranteed to take your breath away with its majestic views.

A sanctuary away from the city, prep yourself before a kundasang trip with our comprehensive guide on what to know and where to go for your next visit to the Land below the wind.

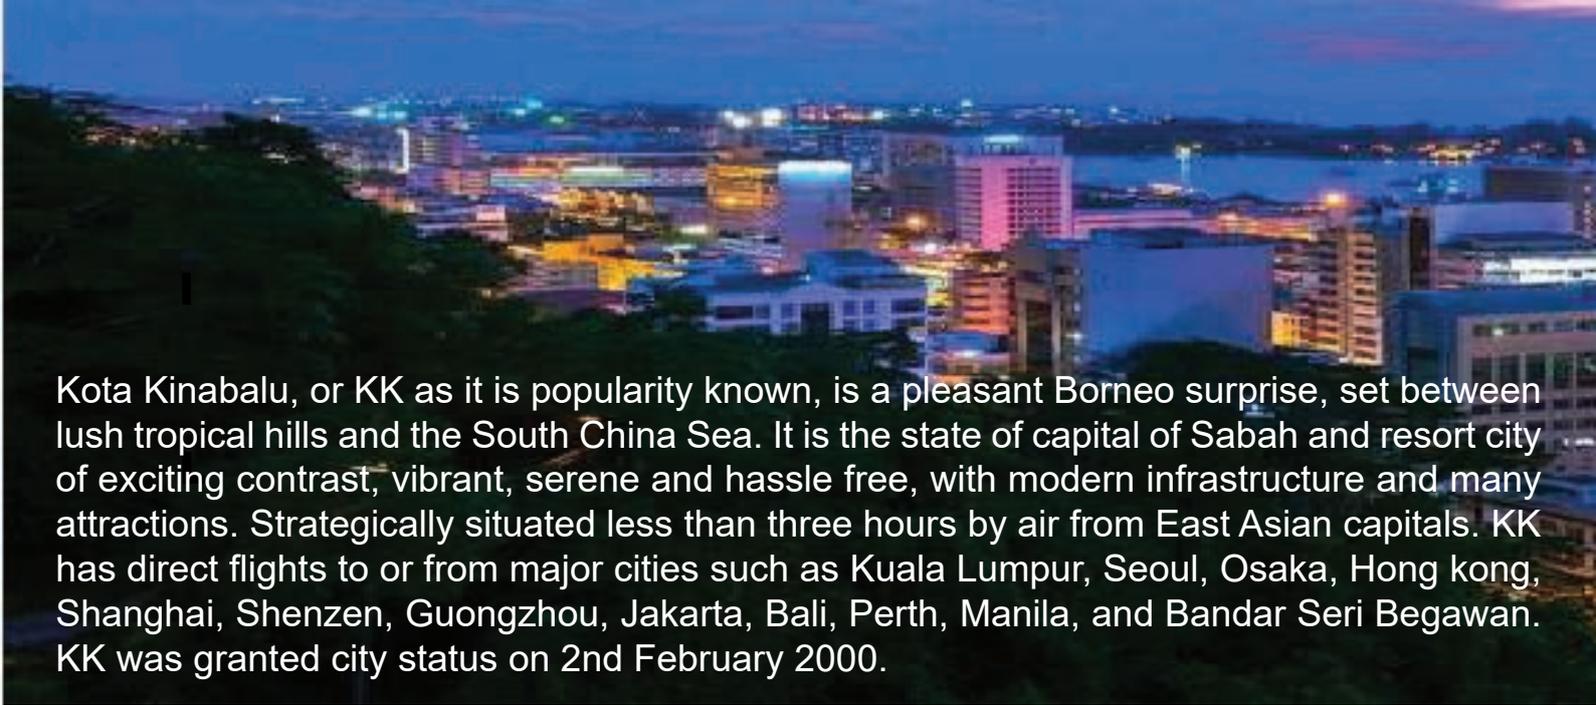

SEPILOK, ORANGHUTAN REHABILITATION CENTRE

The centre attracts tourist and researches alike, giving them the opportunity to watch the Orang Utan up close in their natural habitat. A broadwalk which leads to a viewing gallery and feeding platform where the Apes are fed milk and banana twice a day at 10am and 3pm by rangers. Feeding time also attracts long-tailed macaques to the area.

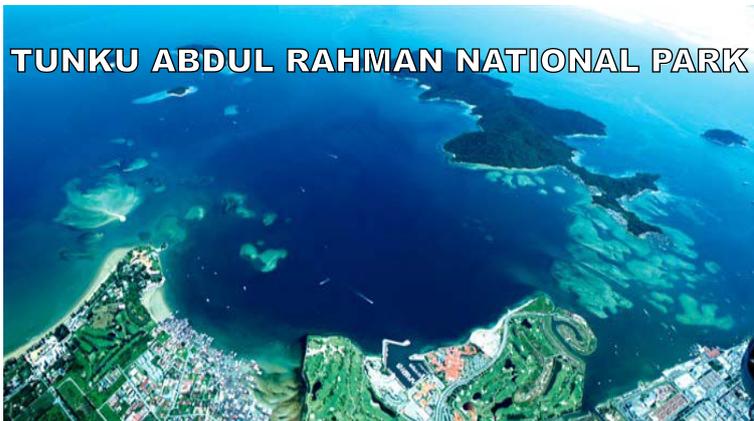

GAYA STREET

In the heart of the city, Gaya Street has been the centre of business for over hundred years. Built in the 1950's and 1960's, the shophouses were used in traditional way, with shops on the ground floor and residential units on the upper floor.

Kota Kinabalu, or KK as it is popularity known, is a pleasant Borneo surprise, set between lush tropical hills and the South China Sea. It is the state of capital of Sabah and resort city of exciting contrast, vibrant, serene and hassle free, with modern infrastructure and many attractions. Strategically situated less than three hours by air from East Asian capitals. KK has direct flights to or from major cities such as Kuala Lumpur, Seoul, Osaka, Hong kong, Shanghai, Shenzen, Guongzhou, Jakarta, Bali, Perth, Manila, and Bandar Seri Begawan. KK was granted city status on 2nd February 2000.

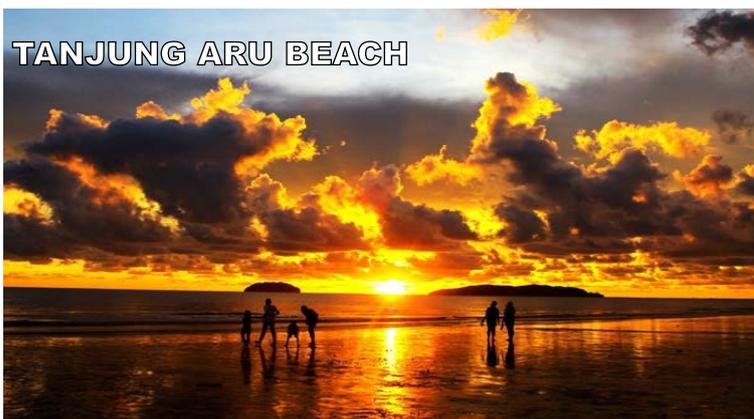

The marine park is a cluster of Five islands - Pulau Gaya, Pulau Sapi, Pulau Sapi, Pulau manukan, Pulau Mamutik and Pulau Sulug about 20 minutes by speedboat from the city. Take a dip in the waters for a snorkel, a dive or some sea walking. Or stay on the shore and bask in the sun with a picnic basket.

Sabah's coral reefs are home to some of the largest, most varied communities of marine life on earth. Apart from their biological significance, these reefs fringe a number of exotic islands which have become important centres from marine research and conservation.

These include the islands of Tunku Abdul Rahman Park, Pulau Tiga, the Turtle Island, the Tun Sakaran Marine Park and Pulau Sipadan Park, under the jurisdiction of Sabah Parks.

Located 10 minutes from the city center, this place is closest to the heart of locals. Taking its name from the casuarinas or aru trees that fringe its sandy shores, this is where the best sunsets are seen,
